ROOMS FOR HIRE

The premises of Saxmundham United Reformed Church offer two main spaces for potential hire and use. Both are accessible to wheelchair users and we have an accessible toilet available at the back of the church by the entrance lobby.

THE HALL

The hall, behind the main chapel, is suitable for around 40 people and is flexible in how it can be set out according to your requirements. Chairs, tables a moveable modern lectern and a conventional piano are available.

This space is ideal for talks, presentations, meetings, children's groups or social occasions. Please feel free to discuss your particular needs and intentions with us.

Adjacent to the hall is a smart, modern kitchen with a good range of equipment available.

THE CHURCH

The church will seat around 100 people and is suitable for uses such as concerts, flower shows, art exhibitions and

conferences or seminars. Seating in the church is fixed, in the form of pews so cannot be rearranged. The platform in front of the pulpit can be cleared or rearranged

The church has a small, traditional pipe organ (single manual with pedals) and a conventional piano. Both available for use if required.

TECHNICAL RESOURCES

We are able to offer WIFI internet access in both the church and hall and the use of a large display screen, (TV with HDMI connectivity) for attachment to a laptop or similar. The church is equipped with a simple sound system with a lapel microphone and a hand held (or stand) radio microphone. The sound system also serves the hall.
